Please note the following general guidelines for polo lessons at the Club:

- At all times, while mounted on a Club polo pony, members must be mindful of the horse's welfare; for example taking care not to strike the horses legs with their mallet.
- To avoid inconveniencing others, members are requested to be punctual for lessons; Polo Instructors are not obliged to make-up for any lost time if a member is late for a scheduled lesson.
- Members are expected to arrive in time to be mounted and ready by the scheduled lesson time. If recommended by a Polo Instructor, warming-up of a Club polo pony before a lesson is restricted to a MAXIMUM OF FIVE MINUTES BEFORE THE LESSON is due to start. **Any member found mounted earlier than 10 minutes before the scheduled lesson will be charged an additional \$50.**
- All lessons are of 30 minutes duration, with 30 minutes allotted for the lesson and an additional 10 minutes either for moving between the stable yard and lesson venue, warming up the pony, or cooling it down afterwards. **If the Club pony is not returned to its stable after forty minutes of leaving the stable yard, the player is liable to be charged an additional \$50 for the polo pony.**
- **Instructional chukkas will be limited to a maximum of 30 minutes**, a significant portion of which will normally be at a walking pace in order to enable the instructor to provide useful criticisms and explanations.
- Instructional chukkas may take place either on the field or in an arena at the discretion of the instructor and depending on weather conditions and/or other relevant factors.
- Polo Riding takes place inside an arena and in general will be without polo mallets.
- **To book a lesson**, members are asked to contact the Polo Administrative Manager at 68543970 unless he is unavailable (for example on annual or medical leave of absence) or e-mail polo@singaporepoloclub.org at least 24 hours in advance. **Members are NOT permitted to book lessons with individual instructors directly.** Please adhere to this rule as it enables proper scheduling of lessons and managing the overall work done by individual Club polo ponies.
- **Starting Tuesdays, Members may book lessons with a particular instructor up to Sunday of the following week, and up to a maximum of two (2) lessons per week.** Additional lessons with the same instructor can only be booked from 12 noon, Wednesday onwards and is strictly subject to availability. **Any cancellation of lesson(s) must be communicated to the Polo Administrative Manager at least 24 hours before the scheduled lesson**, failing which, the lesson will still be charged to the member's account.
- Failure to show up for the lesson as scheduled will also result in the member's account being debited unless an acceptable reason is provided.
- Note that members are not allowed to book double lessons on any one morning/evening except with the prior approval of a Polo Instructor at the time the booking is made.
- Members may use a privately owned polo pony (which does not belong to them) to take stick & ball lessons on the polo field. However, the Club reserves the right to charge the member taking the lesson a 'green fee' of \$50 per lesson.
- Members must ensure proper care and handling of polo ponies while mounted.
- **Members without a SPC polo handicap**
 - **may NOT come out onto the polo field or sand-track when polo is being played.**
 - **may NOT come out onto the polo field, either on your own or accompanied by an instructor, between the hours of 4.30 pm and 6.30 pm on days when stick & ball on the field is permitted** (typically Wednesday and Friday evenings). On such days and between such times, the polo field is strictly reserved for members who hold a SPC polo handicap.
 - **may**, between 4.00pm and 4.30pm on Wednesday and Friday afternoons (weather and field conditions permitting), take stick & ball lessons on the polo field. However as a matter of safety, they must be off the polo field by 4.30 pm sharp.
 - **may, with the prior permission of the instructor**, use a suitable, privately owned polo pony to take stick & ball lessons on the polo field. However, a 'green fee' of \$50 per lesson for the use of the polo field will be charged by the Club to the member taking the lesson.
- *Proper attire/equipment* including a helmet, polo boots or short riding boots with mini-chaps are to be worn during lessons. Sleeveless tee-shirts or 'tank-tops' are not permitted on the polo field. In the interests of safety, polo instructors have the right to turn-away any student if they are found to be inappropriately attired.
- After a lesson, members mounted on a Club polo pony are to ride the pony directly back to the stables or, if asked to do so by the Polo Instructor, immediately after cooling-off the pony. **Members found still riding the pony more than 10 minutes after the lesson has ended will be charged an additional \$50.**
- In the event of unsuitable field and/or weather conditions, the lessons may be conducted in the stick & ball arena or indoor arena at the Polo Instructors' discretion. A stick & ball lesson may also be changed into a polo riding lesson due to unsuitable ground and/or weather conditions, again at the Polo Instructors' discretion and in which case the polo riding lesson charge will instead be applicable.
- All lesson charges during a given month will be debited to the member's club account at the end of that month.
- **Members must read, agree to and sign an Indemnity Form prior their first lesson.** The Club is not liable for any injuries sustained by a member and/or any other damage to the member's property during the course of a lesson.
- **Repeated infringements of these guidelines by a member may result in the Club declining to provide a Club polo pony for lessons to the member concerned.**
- Members who have any disputes in respect of charges or other complaints regarding a lesson or instructor are asked to address these matters in writing with either the General Manager or the Polo Captain, or email: polo@singaporepoloclub.org.
