## DEED OF WAIVER AND INDEMNITY

By this Deed, I unconditionally and irrevocably agree that neither the Singapore Polo Club ("the Club"), its Management, Committee, servants or agents shall be liable to me, my family members and/or any guests introduced by me for any loss of and for damage to any property or for any personal injury or death howsoever caused or sustained, whilst entering into, being upon, or leaving the Club's premises whether on horse-back or otherwise, and notwithstanding whether such horse or pony may be owned by the Club or privately owned, and hereby discharge the Club, its Management, Committee, servants and agents from all claims that I, my family members and/or any guests introduced by me may have against them.

In particular, but without prejudice to the foregoing, I unconditionally and irrevocably agree that if I, and/or any of my family members and/or guests introduced by me should receive equestrian lessons or engage or participate in any form of horse riding or other equestrian activity or any riding or polo lessons or competition, test or event, whether such horse or pony may be owned by the Club or privately owned or whether the same shall be held within or outside the premises of the Club and whether offered or organized by the Club or whether in collaboration or jointly with any other organization or body or club whatsoever or should I and/or any of my family members and/or guests introduced by me, participate or engage in any other activities, events, games, competitions, programmes, tests, courses, lessons or sport of any kind whatsoever, held within or outside the premises of the Club or whether offered or organized by the Club or whether in collaboration or jointly with any other organization or body or club whatsoever including but without restriction in the interpretation of the foregoing, the activities of polo, gymkhana, show-jumping, cross country, eventing and horse racing, as well as swimming, tennis or use of the Club's gymnasium, Club Rooms and any other facility, venue or part of the Club, I, my family members and/or any guests introduced by me will do so entirely at my/their own risk and the Club, its Management, Committee, servants or agents shall be exempt from all liabilities whatsoever and howsoever caused and I/we hereby waive all claims now or hereafter available to me, my family members and/or any guests introduced by me for any loss of and/or damage to any of my/their property, or personal injury or death whether the same is/are caused or occasioned by any act, omission or negligence whatsoever by the Club, its Management, Committee, servants or agents.

I further warrant and represent that I, my family members and/or any guests introduced or to be introduced by me to the Club are and will be medically fit when participating or engaging in any such activity, event, game, competition, programme, test, course, lesson or sport as mentioned above and hereby further undertake that I and/or my family members and/or any guests introduced by me shall be safely and appropriately equipped and attired for riding or such other equestrian activity or any riding or polo lessons or competition, programme, test or event or such other activities, events, games, competitions, programmes, tests, lessons or sport of any kind whatsoever, held within or outside the premises of the Club and whether organized by the Club or otherwise in collaboration or jointly with any other organization or body or club whatsoever, and shall at all times strictly abide by the bye-laws and rules and regulations of the Club. Members must ensure that guests are sufficiently competent riders to safely engage in horse riding activities within the Club grounds. Should there be a change or doubt in the medical fitness of myself, my family members and/or any guests introduced or to be introduced by me to the Club, I undertake to restrain myself and such family members and/or guests from participating in any such activity, event, game, competition, programme, test, course, lesson or sport as mentioned above and shall notify the Club immediately.

In contracting for myself, I also warrant and represent that I have the full authority to contract on behalf of all my family members and/or any guests introduced or to be introduced by me to the Club and I shall indemnify the Club, its Management, Committee, servants or agents effectively and fully against all proceedings, claims, expenses and liabilities whatsoever which may be taken or made against or incurred by the Club, its Management, Committee, servants or agents arising out of, in connection with or relating to any act or omission by myself, my family members and/or any guests introduced or to be introduced by me when participating or engaging in any such activity, event, game, competition, programme, test, course, lesson or sport as mentioned above, or whilst entering into, being upon, or leaving the Club's premises.

Preferred Hospital (in the event of accident requiring transport to a hospital): \_\_\_\_\_

The ambulance service provided for the Club will convey all cases to the nearest Ministry of Health-designated hospital (by travel time), so that life-saving interventions can be provided in a timely manner. This is particularly crucial in medical emergencies.

Member may then request to be transferred to another hospital of choice, after their condition has stabilized, should they prefer.
