PERSONAL SUMMARY

An equestrian enthusiast since time immemorial, Abigail started riding at the Singapore Polo Club at the age of 9 years old. Her passionate, dedicated and disciplined pursuit of equestrianism has since earned her a place in Team Singapore and the Equestrian Federation of Singapore Olympic Pathway Awards Certificate of Achievement 2016. In her professional life, Abigail has built a growing litigation practice, despite having only about 3 years of post-qualification experience. In 2016, Abigail brought in 13 files to her current firm, bringing in more than enough to cover her own salary. Gina Lim

I have been a Charter Member of the Singapore Polo Club for 5 years. During that time I have been an active member of the Riding Section and spent some time in the Polo section as well. I have demonstrated my commitment to the Club and its activities by volunteering and supporting Club events as well as being a key member of the organizing committee for the Club's successful National Dressage Championships. Here I was involved in helping to secure sponsorship for the event and assisting in communication and marketing activities.

Passion and curiosity towards the sport brought me here when I first started as an amateur. Since then, I have progressed from being a beginner rider at the Club, taking regular lessons in the Riding School, to owning and successfully competing a retired polo ponies. I am now the proud owner of a German dressage horse that I regularly compete, representing the Club at our local interclub shows. As a rider and a parent when my sons were also taking lessons at the riding school, I have developed a sound understanding of the issues affecting the riding school and the riding livery yard and believe that I can well represent the many families who use these facilities.

I have a strong background in finance and management, with a double major in Economics and Finance (BBus) and believe that these skills, along with my long running commitment to the Club will be of benefit to the Main Committee. Most of my career has been spent in the finance sector where I have specialized in debt restructuring, dealing in the Capital Markets, wholesale high yield credits. My most recent executive level position was as Executive Director, Fixed Income Sales, Asia Pacific for Kleinwort Benson. More recently, I have been pursuing my riding goals and family business interest.

I believe that my passion for, and interest in, the successful management of the Club as well as my personal experience in the finance sector will be of great benefit to the management of the Club. I look forward to serving the Club and its members.
